

◆ **MacArthur Place** ◆
SONOMA'S HISTORIC INN & SPA

The Carriage House at Night

Located in the town of Sonoma, just four blocks from the historic Plaza, MacArthur Place is in the midst of wineries, fine dining, shops, and unique galleries. Just a short 15-minute drive from the Napa Valley and forty-five minutes from San Francisco, the inn is convenient to both Sonoma and Napa Valley wineries. Once a prestigious address for a 300 hundred-acre vineyard and working ranch with prized trotters and cattle, the lush 19th century estate has been transformed into a luxurious 64 room hotel.

Each of the Inn's 64 rooms and suites are individually designed with beautiful furnishings, down comforters, custom linens, and original artwork. Ten rooms are located in the property's original residence built in the 1850's.

The Inn's 29 newest luxury suites offer wood-burning fireplaces, king-sized beds, hydrotherapy tubs, wet bars, flat-panel televisions, and DVD players with six-speaker surround sound. MacArthur Place is set among seven acres of magnificent gardens filled with original sculpture. Flagstone walkways lead guests past hedgerows, fountains and benches to a sparkling swimming pool and whirlpool.

One of the Inn's Luxury Suites

Nestled in the heart of the Inn's fragrant gardens, the Garden Spa at MacArthur Place offers a wide variety of treatments based on the benefits of a specific fruit, flower, herb or element from the earth. Each treatment uses the finest "single note" essential oils, rather than a blend, so you can experience the unique qualities of the essential oil selected. The Garden Spa at MacArthur Place offers over 40 different massage, facial and body treatments.

For reservations, contact us directly at (707) 938-2929, toll free at (800) 722-1866

Outdoor Teahouse at the Garden Spa

MacArthur Place - 29 East MacArthur Street - Sonoma, CA - 95476

Sculpture Gardens

With over 100 species of trees and filled with colorful and unusual plantings interspersed with meandering paths, our gardens are a wonderful place to stroll, or relax with a glass of wine or a good book. Our orchard has 12 different kinds of fruit trees, and when in season, you'll find the fruit in pies and other special desserts in our restaurant, SADDLES.

Throughout the gardens comfortable benches have been placed, often near one of our interesting fountains. The hedge rows lining some of the flagstone paths are original to the inn, and were planted by the original owners

when Sonoma was but a young town. The swimming pool and outdoor whirlpool tub are accessible through the gardens, and are located next to our Spa facilities.

At MacArthur Place we offer exceptional dining at our steakhouse, SADDLES, as well as a wonderful, complimentary continental breakfast. Breakfast or our full dinner menu are also available in the privacy of your own room or suite. As Sonoma's premier Steakhouse, we specialize in serving USDA Prime Beef, as well as chops, pasta and fresh seafood. Saddles is open every day for lunch, dinner and weekend brunch and offers a full bar that specializes in martinis, with more than 14 to choose from.

Pool and Whirlpool in the Gardens

Saddles, Sonoma's Premier Steak and Seafood Restaurant

MacArthur Place is considered one of the finest new meeting destinations in Northern California. Ideal for meetings, executive retreats and incentives, the Inn offers a variety of meeting space ranging from the rustic Rodeo Room in the Inn's historic barn to elegant meeting suites. Our conference rooms feature custom lighting, ergonomic conference chairs, and advanced audio-visual equipment designed specifically for your needs. Begin your meeting with a reception in the gardens, or in the library. Our executive chef is available to create marvelous menus and gourmet meals. A variety of Team Building Activities (golf, tennis, cooking classes, grape stomping) and Motivational Speakers are available during your event.
