## All Aboard

Starting early this year, **DISNEY CRUISE LINE** will offer Mickey-loving families even more ways to explore the world together. The 2020 cruise itinerary features the addition of a new home port in New Orleans, with six cruises featuring sights and sounds inspired by “The Princess and the Frog,” and the line’s return to the Hawaiian Islands (after a five-year hiatus!) as well as Puerto Rico. Bookings are now open to the public. [disneycruise.com](http://disneycruise.com).

## Big Mac

Coming early this year is the new-and-improved **MACARTHUR PLACE HOTEL & SPA**, Sonoma’s iconic Victorian-style hotel. The major revamp will span the entire property including the arrival experience, reception, guest rooms, the food and beverage program and more. To take advantage of the hotel’s wine-country surroundings, the renovation will also maximize MacArthur Place’s views and elevate its indoor-outdoor appeal.
